## THROW OUT THE BUBBLE WRAP.

THERE IS AN EASIER WAY TO PROTECT YOUR MINI.

MINI Seal & Protect is a paint, interior and cloth upholstery protection system from MINI designed to keep your paint perfect, your cloth clean and your MINI Clubman looking mint.

With MINI Seal & Protect we'll give your car a showroom shine with MINI Hard Wax. This super-smart wax has more than one trick up its sleeve. Not only does it improve the water-repellence and surface resilience of your paintwork, but it also actively enhances it, meaning your beloved MINI will stay looking as good as new.

It doesn't stop there. The inside of your car gets just as much attention from the MINI Seal & Protect team. The MINI science bods have developed an impregnating agent that is applied to your cloth upholstery and carpets, protecting them against the damaging effects of moisture and keeping the inside of your MINI in top shape.
