

FROM £21,500 OTR*

THE NEW MINI CONVERTIBLE.
LAUNCHING MARCH 2021.

DRIVE WITH THE TOP DOWN.

Sky above, road ahead – experience the legendary go-kart feeling in the new MINI Convertible and leave your troubles behind you. The steep front windscreen offers a clear view of the sky above. When the roof is closed, the multiple layers in the soft-top provide a high level of sound insulation.

The new MINI Convertible comes with some exterior and interior design changes, new standard equipment, new technology and options. The Sport and Exclusive styles have also been upgraded with new standard equipment.

The new exterior design includes changes to the front and rear bumper, front grille, headlights, side scuttles, rear fog lights, and more! In the interior, there's a new instrument cluster design and a bigger screen, a new dashboard design, a new steering wheel and as well as new interior lighting. New alloy wheels and exterior paint colours are also available on the new MINI Convertible.

Model featured: The new MINI Convertible Cooper S Classic with optional Zesty Yellow exterior paint colour, Adaptive LED headlights with Matrix function, 17" Pedal Spoke alloy wheels in black and Light Chequered upholstery.

All figures relate to vehicles with 6-speed manual transmission. Figures in [] relate to vehicles with automatic transmission. * OTR price is based on the Recommended Retail Price (including VAT) and On The Road charges (including delivery and emergency service, vehicle first registration fee and VED costs). † Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent. ^ Luggage capacity varies depending on whether the roof is up or down.

Effective from March 2021. Information correct at the time of publishing. Prices and specifications may alter periodically subject to product changes without prior notice. Published in January 2021.
